## SINGERS SEMINAR with Ty Coates

- Are you struggling to sing those high notes?
- Don't really know how the voice works?
- Don't know how to use all your different registers?
- Want to walk on stage and 'nail it' every time?

### SOLUTION!

To coincide with the **Flash Harry** 30th Anniversary Reunion gig, renowned Aussie vocalist & Perth boy, Ty Coates, will be conducting a "Singers Seminar" to improve your singing skills set for both live and in the studio. He has comprehensive knowledge of how the voice works coaching some of Australia's notable singers. Ty also plays guitar, bass, drums and harmonica understanding the balance of singing while playing.

---

### This seminar and workshop will cover:

- + What the vocal instrument looks like and how it works
- + Correct use of the diaphragm
- + The different vocal registers and how to use them
- + By-passing the 'pitch break' (Register Bridging Method - RBM)
- + Using the upper register effectively without strain
- + Difficult vowel sounds and how to sing them easily
- + Psychology of singing confidently
- + Mic technique.....and much more

---

If you want to be a better singer,  
this seminar is crammed full of invaluable information.  
It's 'real world', it's practical & most importantly it works!  
Don't miss this rare opportunity!
