

LIVIN' THE DREAM MUSIC ACADEMY

ARE YOU A ROCK STAR?

Kids, have you dreamed of becoming a rock star but...

~ You don't know what instrument to play or how to go about it?

Mums & Dads, does your child have hidden musical talent but...

~ You haven't had the opportunity to discover it?

~ You don't know where to go or what instrument they'd be good at?

Unleash your hidden **ROCK STAR** talents today!

We have created a course just for kids to help discover their inner creative talents through the music they hear everyday!

Our Rock Star course lets you...

- *TRY 4 different* instruments over 4 lessons:
DRUMS - GUITAR - BASS - SINGING
- Find natural talents in a fun/no pressure way
- Discover how each instrument works
- See what it takes to play each instrument
- Have all the fun of handling & playing each instrument just like a real **Rock Star!**
- Choose the *right* instrument for you
- **NO** need to buy an instrument

No Music Experience Needed!

Course: Are You A Rock Star?

Days: Mon - Thur **Times:** Between 10am & 7pm **Cost:** \$99

Available in school terms and school holidays!

LIVIN' THE DREAM MUSIC ACADEMY

Unleash your hidden **ROCK STAR** talents today!

Music provides enormous benefits not only to students but to the entire community. Learning music has been proven to ~

~ Improve fine motor skills, focus & concentration

Testimonial

Rebekah, 15 - Drums
Ty has been teaching my daughter drums for 6 months now. His skill and guidance inspires her to thoroughly enjoy her lessons. It has even instilled a positive sense of self-esteem as she is learning quickly in a relaxed environment.

Testimonial

Izabelle, 10 - Singing
Caz teaches my daughter not only how to sing but where the voice comes from, how the voice changes sounds, the history of singing and music, how to breath, stand and push more sound out. The depth of knowledge that she has & teaches is amazing. Izabelle loves Caz & recording time.

Testimonial

Noah, 10 - Guitar
My son has been having guitar lessons with Ty for the last 4 months & he has come such a long way with his love of music. Ty is a wonderful teacher with so much talent & this is shown in Noah & how far he has come in so short a time.

~ Improve co-ordination, dexterity and memory function

ARE YOU A ROCK STAR COURSE

~ Disciplined practice playing music strengthens brain function and transfers to other activities

**School Term &
School Holidays!**
